Spread their cum all over you	Almost got caught	Got hot and steamy very quickly	Sent a video - nude or in underwear	Had tension build all day and finally gave in
Couldn't keep your hands off each other in public	Snuck out or snuck someone in	Let someone undress you	Been bare naked and spread your legs for someone	Sat on his face while stroking him/sucking him
Slept with someone knowing it wasn't going anywhere	Swallowed/sucked on their balls	FREE	Been with someone who made you feel out of control (in a good way)	Had heavy phone sex
Had sex somewhere that wasn't a bedroom	Sent each other risky texts during the day	Had someone send you a video of them masturbating	Had a "this was supposed to be quick" that wasn't	Hooked up while someone else was in the house
Had a sexual encounter at the beach/pool	Came multiple times in one session	Made them cum more than once in one session	Tried something new together on impulse	Fingered in the shower
