B	I	N	G	O
"Give me 5 minutes." (It will not be 5 minutes.)	Checks the clock more often than they'd like to admit	Has saved the day more times than anyone knows	Remembers "how we used to do it"	Knows all the Gen Z lingo
Has a mysterious key that opens everything	Would likely say "That's above my pay grade."	Knows where things are before you even finish asking	Could win a dance-off at a school event	Still has the same enthusiasm as year one
"I'm here until my legs give out" energy	Gets greeted by students everywhere they go	Has worked here longer than most buildings have existed (or so it seems)	Has "the look" that instantly stops behavior	Secretly (or not secretly) competitive
Keeps the school running without recognition	Knows which meetings could have been an email	Has seen everything and is no longer surprised	Knows every sibling cousin and backstory	Handles chaos like it's just another Tuesday
Says "quick question" and it's never quick	Has a playlist ready for any mood	"We do this for the kids."	Has said "It's been a day..." before noon	Has the calmest voice in stressful situations
