

The runes on the sword Diem got in Sophos are the key to defeating Ophiucae	At least one Gryvern will die (not Sorae)	Henri will leave the Guardians and will risk his life to help Diem when she needs him	Taran Jr. will survive	Luther's eye color being described as blue-gray is significant in some way. A sign of his power or he's a Kindred.
Diem has Old God magic because she was conceived and delivered on Coeurile	The Sword of Corbois will be used in a major/significant way in the endgame.	Remis is going to die sacrificing himself for Luther.	Coeurile is the 11th realm	Sorae and Tybold will get a HEA
Teller and Lily will get a HEA	The tree of the Everflame will bloom in place of the Kindred's temple by the end of the book.	FREE	Diem actually died on Coeurile and when she comes back she lost part of her soul.	Luther completed his half of the mating bond in the Sophos library
Luther used Umbros magic to sense that Doriel was going to betray Diem which is how he knew to call Sorae.	Taran and/or Zalaric will die	Luther will go unhinge and kills the remaining crowns.	Lumnos will save the day	Magic will vanish in the end making everyone mortal again
Lumnos is actually Luther's mom.	Diem completed her half of the mating bond on the island when Ignios stabbed her	Somehow Vance will be important in killing Ophiucae.	There will be one large realm at the end	Diem will take rosebane and talk to the Old Gods and will get important information
