

Naughty BINGO

That's quite a package	Can you make it longer	I wasn't expecting it to be this big	Oh My	Its harder than expected
I like it on top	That's a tight fit	Keep going I'm nearly there	Careful its slippery when wet	Mind the crack
Put it in gently	That's what she/he said	PURE ROMANCE BY JOANY	Grab it with both hands	It came early
It needs more lubrication	Please hold while i transfer you to Carolanne.	It's time to be serviced	Is it supposed to bend like that	Just the tip
I've had bigger	I can always squeeze you in	Let's lock the door	Went down the wrong hole	I need a minute
