

B	I	N	G	O
Water through floor	>2 drinks consumed	Newly replaced power pole downed	Vehicle moved by outside forces	Power Back!
Goes outside/ tries to open door	Water through door	Something not yours in your yard	All devices/ power stations dead	Step over power line to escape
Water through a/c unit	Water through window	FREE	Broken plumbing	Pet nervously destroys something
Pet pees inside	Walking into something in the dark	Police Sirens	Pet goes on hunter strike	Power Outage
No internet or cell service	Generator smoking	Song about storms	Window breaks from coconut	Hear/can't see something break
