

start venting and some rando actually helps	'HEAL ME!' at full HP	farm someone in their spawn and they say something	potg as mercy	get solo ulted or solo ult someone
cat/dva bomb mechanic	someone has a summer skin	mercy kills u/or get a kill as mercy	'girl its just qp.'	payload princess.. have no dmg or heals
sleep someone in their ult	we fight and someone tries to stop	FREE	ALL DRINK: if tank calls u bad	find a lesbian woman
get a team kill	roadhog hooks u and u survive	get an achivement	find a gay man	get someone to call you mommy or daddy
find a bisexual	bark/meow and someone does it back	moan in the mic and someone likes it	when a straight man joins vc and talks we all ignore and he has to say something	debate someone
