Red flags in men = green flags in women	"Help everyone is hot"	Can't sit on a chair right	Owens at least 3 flannel shirts	Had a crush on two people with different genders at the same time
Been told to pick a side	Questioned whether you were straight	Has juggled 7 men but thrown up asking a girl how her day was	2 tattoos	Questioned whether you were gay
Still exploring your sexuality	Been asked if it's just a phase	FREE	Dated a girl	Dated a guy
Played softball/lacrosse/cheered	Dated someone who is non-binary	Making your game character male so you could have a gf	Converse sneakers	Has a nose ring/septum
Been told bisexuality doesn't exist	People think you're a cheater	Been told you're just confused	Wants/has Pride merch	Being resentfully attracted to men and terrified of women
