Your most daring fantasy	A guilty pleasure you've never admitted	A celebrity you'd love to date	Call someone and confess a silly crush	The biggest lie you've told on a date
Serenade someone with a love song	A time you got caught doing something naughty	Whisper a secret into someone's ear	Something you've done but would never do again	Attempt a funny pick-up line
Swap a piece of clothing with someone	The wildest thing you've done in public	A secret you've kept from your partner	Share a seductive wink with someone	Draw a heart on someone's arm
Kiss the person to your left	The craziest pickup line you've used	Pretend to be a famous actor in a romantic role	Strip 1 piece of clothing	The riskiest place you've had a romantic moment
Do your best imitation of a love scene	Do a dramatic reading of a romantic poem	Share a compliment with each person in the room	Dance like nobody's watching	A time you cheated on a game
