

B	I	N	G	O
Scheduled a SX	"But The Breeder Said..."	Collected urine sample	Preformed ear cytology	Got OK to send Trupanion
Cleaned team members room	Scanned for microchip	Had to take pet's temp	"They Don't Need Prevention. They Don't Go Outside"	O approves 100% of diagnostics Recommended
Ran inhouse BW	Stayed lat (last one in clinic)again	FREE	Be on time all week	Gave an injection
Get Pooped Urinated On	Puppy 1st visit	Got O to purchase Bravecto QUantum	Dog actually sits on scale	Had to call on a Positive Fecal
Completed a monthly task	Called for medical records	Handled a spicy cat	anal gland juice all over scrubs	Client declines diagnostics but wants answers
