Took a phone call when I did not want to talk to that Owner	All extra slots gone for the day	Fill your own meds	Says "Come back in 2 Weeks"	Had to help tech my own room
Double booked on Dr. slot and did not complain	Told my tech she did a great job	Had to tell O their dog is overweight	Call tech by correct name	Mentions Dental Disease
Takes lead on emergency	Took another Dr's room full or partial	FREE	Caught up my non critical	Give out an "atta boy"
Had to call a company or other Hospital	Stayed on time all day	Had to have HW conversation (1st positive)	Gives out an "atta boy"	Had to muzzle a dog
Found fleas	Client has Financial Limits(has blank funds for today)	Healthy pet turns out needs issues addressed	Wrote and explained an estimate	Explains bloodwork
