

Well that's a piece of cake!	Alliteration	I'm a big scaredy cat	She sells sea shells by the sea	Onomatopoeia
I feel like a fish out of water	The sun peeked through the clouds	Race car	Buzzzzz	The sun is as bright as a flashlight
Your brain is a computer.	Cats got your tongue?	Metaphor	My teddy bear gave me a hug.	The kids sang "weeeee" as they went down the slide.
My water bottle is crying	Red is to apple as green is to tree.	Idiom	Personification	He was so hungry he ate that whole cornfield for lunch stalks and all.
Simile	I have a frog in my throat	Your eyes are as blue as the ocean	I have a ton of homework to do tonight. It's going to take me forever to finish.	It's raining cats and dogs
