[quotes the bible as a valid source]	"Everyone else is going to hell."	"There is no evidence for evolution."	[Accueses someone else of a logical fallacy]	"god wants you to worship him"
"Just a theory."	[bashes Darwin]	Thank you Jesus	"God gives you free will which is why there is evil."	[Uses a logical fallacy]
[tells a long pointless story about wife]	"I was once a sinner."	**FREE**	"Without god there is no good."	"You cannot prove there's not a god."
[Bad Science]	"You should believe in god."	The bible has to be interpreted.	"There is no such thing as chance."	"you cannot have morals without god."
"If you can't explain it it must be god."	[Answers an argument by saying you must have faith]	"My god is the right god."	[yelling]	"Original Sin."
