I've driven across the country 7 times.	France	I dressed Evangeline Lilly on ABC's Lost	I worked for the Surfrider Foundation in Biarritz	I photograph NFL games
I bicycled across the country	I'm colorblind.	I speak japanese	David Copperfield made me disappear on stage	I'm an only child
My right foot is two sizes smaller than my left	Had 2 snakes named Scales	FREE	I have a funky middle finger	I own a didgeridoo
I'm afraid of birds.	I own a rug made out of a tiger that my great grandmother shot	I was on the Montel Williams show	I drink lots of half and half	I read palms
Hang glided in Rio	I wrestled a tiger and read its palms	I can eat more than you	Rode 30 miles in the back of a banana truck	I can split my thumb into 2
