I've driven across the country 7 times.	David Copperfield made me disappear on stage	I dressed Evangeline Lilly on ABC's Lost	I wrestled a tiger and read its palms	I photograph NFL games
I can eat more than you	I'm colorblind.	I speak japanese	Had 2 snakes named Scales	I worked for the Surfrider Foundation in Biarritz France
I'm an only child	My right foot is two sizes smaller than my left	Free Space	Hang glided in Rio	I have a funky middle finger
I own a didgeridoo	I'm afraid of birds.	I own a rug made out of a tiger that my great grandmother shot	I had a Chinchilla for 24 years	I read palms
I drink lots of half and half	I bicycled across the country	I was on the Montel Williams show	Rode 30 miles in the back of a banana truck	I can split my thumb into 2
