

I want to stay sober	Children need active parents	I don't want to die	I want to buy a house	I need to make good decisions
I did well in school	I want to save money	I need to stay out of trouble	I am fed up with problems	I want better relationships with my family
I want to make more money	I want to use less	FREE	I am thrifty	I know my triggers and how to avoid them
I need better transportation	I want to get my license back	I need to change	I have saved money	I need to stay off drugs.
I have a strong work ethic	I believe in a higher power	I need to take my recovery seriously	To be in control of my life	I don't want to be an addict anymore
