

I was born in another country	Horror movies don't scare me	I dislike bacon	I have stolen a sign	I have camped outside a store waiting for a video game release
I believe in aliens	I study politics	I have never been on a plane	I am a big fan of Dr. Who	I ski competitively
I wish I lived in another decade	I am a vegetarian	I go to church regularly	I hate soda	I love Tosh.0
I have an American Idol addiction	I have plans for a major tattoo	I dislike cats	I have more than five siblings	I am an only child
I jet ski in the summer	I believe in ghosts	People tell me I have no common sense	I can do a stupid human trick	I drink too much coffee
