wishes they were in a different course than the one they're in	can cook (real food not the instant kind)	has gone home completely broke	snuck out without their parents knowing	knows what a heffalump is
doesn't eat meat	will watch the last Rurouni Kenshin movie	shipped Chuck/Blair	can twerk	waiting for senpai to notice them
wore the same clothes two days in a row	cried during Titanic	has virgin hair	in love with Lee Pace's eyebrows	talks to their pet
instantly deleted the U2 album the moment it showed up on iTunes	sleeps in their parents' room	has gotten drunk	likes Ariana Grande	does NOT own a smartphone
still waiting for their Hogwarts letter	gotten a 1.0 for a final grade	writes poetry	has forgotten to bring an umbrella to school	has never taken a selfie
