Your brain is a computer.	Cats got your tongue?	FREE	Metaphor	My teddy bear gave me a hug.
The kids sang "weeeee" as they went down the slide.	My water bottle is crying	Red is to apple as green is to tree.	Idiom	Personification
He was so hungry he ate that whole cornfield for lunch stalks and all.	Simile	I have a frog in my throat	Your eyes are as blue as the ocean	I have a ton of homework to do tonight. It's going to take me forever to finish.
