

Whenever I get gloomy with the state of the world	A golden oldie for a golden oldie	A beautiful muffin for a beautiful lady	I think about you all the time actually	She's the one
Life is full of interruptions and complications	Christmas is all around	True love lasts a lifetime	Oh shut yer face	A smile. A little bow and a wave
Send an embarrassingly big car and I'll be there!	The total agony of being in love	FORTY ACTUALLY	Without hope or agenda	All I want for Christmas is you
Now I've gone and said shit - twice	It's come out all blue and wibbly	Bring Claudia Schiffer as my date	I'm on shag highway headed west	Ten minutes at Elton John's and you're as gay as a maypole!
Just in cases	Ruthless trained killers are just a phone call away	The arrivals hall at Heathrow airport	Let's go get the shit kicked out of us by love	It all hangs on the next song

The total agony of being in love	It's come out all blue and wibbly	Is the new Prime Minister in trouble already?	No she lives next door	I'm on shag highway headed west
I think about you all the time actually	Alone again - naturally	Anything to put off actually running the country	No-one's ever gonna shag you if you cry all the time	Love actually IS all around
Let's go get the shit kicked out of us by love	A tiny insignificant detail	FORTY ACTUALLY	Any chance of a dance with the boss?	She's the one
I'm just Judy	True love lasts a lifetime	Without hope or agenda	To me you are perfect	A smile. A little bow and a wave
Now I've gone and said shit - twice	All I want for Christmas is you	Christmas is all around	I think about you all the time actually	Plumpie

Would you like it gift wrapped?	Solid gold shit maestro	Send an embarrassingly big car and I'll be there!	Oh shut yer face	That'll never make number one
Alone again - naturally	Anything to put off actually running the country	Ready in the flashiest of flashes	Love actually IS all around	Christmas is all around
Ruthless trained killers are just a phone call away	No she lives next door	FORTY ACTUALLY	No-one's ever gonna shag you if you cry all the time	A golden oldie for a golden oldie
It's a self preservation thing	A beautiful muffin for a beautiful lady	Life is full of interruptions and complications	Whenever I get gloomy with the state of the world	Any chance of a dance with the boss?
Yes is being my answer. Easy question.	Yes I have Ant or Dec	David Beckham's right foot	All I want for Christmas is you	She's the one
