

then I had a toothache.	as a result he forgot his keys.	because he touched the hot stove.	so he was tired all day.	due to the window being left open.
because I was sick.	the result was that he missed the bus.	since it snowed.	as a result she got an A on the test.	so I went to bed early.
so we moved to a new house.	therefore I am tired.	FREE	as a result the battery went dead.	because she could not see the board.
because she wanted the house to smell good.	so she dropped it	because the freezer door was left open.	because it did not get enough water.	since it is my birthday.
because it began to rain.	as a result the dog ran away.	so I grabbed a snack.	therefore it popped.	because I wasn't listening to the teacher.
