

B	I	N	G	O
Find three vocabulary words for GCPS Unit 6 (IC)	Find 2 vocabulary words for 44.G.2 (AS)	Find the chapters and lesson numbers in the McGraw Hill series for AKS: 44.G.2 (IC)	Find the pages in Analyzing the Standards that correlates with AKS: 44.G.2 (IC)	Find the name of a Georgia Frameworks activity that supports AKS: 42.G.1 (IC)
Find the "Hands-On Standards" lesson that correlates with AKS: 15.NF.1 (IC)	Find the standards for mathematical content covered in the "Score It!" activity	Find the name of a "Super Source" activity for AKS: 44.G.2 (IC)	Find a common misconception for 44.G.2 (AS)	Find the pages in Analyzing the Standards that correlate to AKS: 19.NF.2_b (IC)
Find the size group recommended for "Score It!"	Find what 2nd graders learned in regard to 44.G.2 in "Background Knowledge/Connections" section of AS on p. 5	FREE	Find a formative assessment question for the "Score It!" activity	Find the materials needed for the "Score It!" activity
Find the materials suggested to use with the "Intervention" group for the "Score It!" activity	Find the question students will need to answer on the student activity page for the "Score It!" Figure A activity	Find the name of a Georgia Frameworks activity for AKS: 15.NF.1 (IC)	Find the manipulatives suggested to concretely model AKS: 44.G.2 in Analyzing the Standards	Find the name of a technology resource for AKS: 15.NF.1 (IC)
Find the manipulative used to semi-concretely model 44.G.2 in Analyzing the Standards (AS)	Find out a common misconception provided in the "Score It!" activity regarding categorizing shapes	Find the page number for the Georgia Frameworks activity titled "I Like To Move It! Move It!" for AKS: 17.NF.2 (IC)	Find what 4th graders will use to reason about equivalent fractions in "Instructional Strategies" (AS)	Find the chapter and lesson number in the McGraw Hill series for AKS: 42.G.1 (IC)
