

B	I	N	G	O
Teams in Clubs trading wins already.	"EA HAVE MADE THE GAME EVEN WORSE!"	At least 3 well known players are still at their old clubs.	Message from someone who wants to borrow your account to play the Early Release.	Everyone is using random tactical free kicks for the sake of it.
"WHY CANT WE PLAY ULTIMATE TEAM ON THE EARLY RELEASE THIS IS BULLSHIT!"	Something goes wrong with the Early Release and Rob Hodson vanishes from Twitter.	Impact engine is still hilariously glitchy.	"FIFA 12 WAS BETTER!"	Pro Ranked is already full of wanky ball hogs with 69 rated pros.
The #1 player on the leaderboards somehow has 40 games played in 2 hours.	"I BOUGHT THE SEASON PASS AND I DON'T LIKE THE EARLY RELEASE I WANT A REFUND!"	FREE	Download of Early Release pauses at 98% for hours.	EA Sports Messi worshipping on at least 3 different screens.
People obviously trying skills to get an early montage up on Youtube.	Everyone in H2H playing as Barcelona.	Laggy as fuck.	Classic XI is the same as last years stats and all.	Gamebreaking exploit found in the first 5 hours of Early Release.
"THIS *mode* SUCKS"	Only half of the features on the Early Release are unlocked.	'Flag Exploit' still exists 4 years later and needs to be patched out again.	Tons of people playing online with Saudi League teams for shits and giggles.	Annoying un-skippable tutorials for EVERYTHING you click on.
