

What loses its head in the morning and gets it back at night?	Bright like diamonds hard like rock I'm crushed or cubed or solid block. Look inside me	It has 4 legs but does not run	What has a net but can't catch	Some like me hot some like me cold some like me mild some like me bold
I have to be broken down before I am of use	What is filled six days a week but if you don't own it you can't take a peek	The only place in the world where saturday comes before thursday.	I grow up big and tall and lose my clothes in the fall	What has 5 fingers but isn't a hand?
What invention lets you look right through a wall?	You look at me to see yourself	FREE	I have a sound that goes beep and while the time I do keep my main function is to heat	Plug but no bath. Ink but no pen. Paper but no news. Cable but no TV.
Set my dial push me down. When I come up i'm nice and brown	What has teeth but can not eat?	So full of light but always in shade	One sheet two sheets three sheets more.. some use less some use more	Tear off my skin and I won't cry but you will
Look for a seat you push with your feet!	I have keys but I don't open a door. You can use me for files info games and more.	What goes up when the rain comes down	You stare at me but I dont blush and switch me off when you're in a rush.	I wave all day but never tire at the end of the day I retire. What am I
