

Refresh my heart in Christ	A cheerful heart is good medicine	Create in me a pure heart	Love is patient	He carries them close to his heart
Blessed are the pure in heart	Perfect love drives out fear	Keep my commands in your heart	A friend loves at all times	Love is kind
One in heart and mind	The Lord looks at the heart	FREE	A man after my own heart	For God so loved the world
God is love	Love never fails	Guard your heart	Do not lose heart	I have hidden your word in my heart
Do not let your hearts be troubled	Be strong and take heart	Let us love one another	Therefore my heart is glad	But the greatest of these is love
