together we make a family	Faith makes all things possible not easy	dinner is better when we eat together	there is no place like home	my greatest blessings call me mom
brothers are the best of friends	together is a wonderful place to be	pain is temporary pride is forever	all you need is a little faith trust and pixie dust	she believed she could so she did
time spend with family is worth every second	we may not have it all together but together we have it all.	UPPERCASE LIVING	art washes away the dust from the soul	just roll with it
believe in yourself	love makes life complete	there once was a boy who loved a girl	loved you yesterday love you still always have always will	there once was a boy who loved a girl
hope anchors the soul	our family is just one tent away from being a full blown circus	doubt your doubts before you doubt your faith	because someone we love is in heaven there is a little piece of heaven in our home.	please excuse the mess were busy making memories
