

B	I	N	G	O
What goes up goes down	After the storm the sun will shine	Good things come to those who wait	That's just my personal opinion	Live each moment like it's your last
Forgive and forget	What doesn't kill me will make me stronger	People are our best asset	Everything happens for a reason	Teamwork to make the Dream work
Time heals all wounds	Winners never quit	FREE	Follow your bliss	It is what it is
It was meant to be	There's no I in Team	It's all good	If at first you don't succeed try try again	Money can't buy happiness
Hard work always pays off	Follow your passion	Such is life	"C'est la vie"	God has a plan for you
