

together is a wonderful place to be	Enjoy life its delicious	Be your own kind of beautifUL	You dont have to brush all your teeth just the ones you want to keep	pain is temporary pride is forever
doubt your doubts before you doubt your faith	I love you to the moon and back	time spend with family is worth every second	love makes life complete	Faith makes all things possible not easy
our family is just one tent away from being a full blown circus	there is no place like home	UPPERCASE LIVING	together we make a family	Happiness is a choice
believe in yourself	brothers are the best of friends	please excuse the mess were busy making memories	dinner is better when we eat together	my greatest blessings call me mom
art washes away the dust from the soul	all you need is a little faith trust and pixie dust	hope anchors the soul	I love you because	just roll with it

doubt your doubts before you doubt your faith	dinner is better when we eat together	Faith makes all things possible not easy	there once was a boy who loved a girl	Happy girls are the prettiest
pain is temporary pride is forever	believe in yourself	Happiness is a choice	brothers are the best of friends	time spend with family is worth every second
together we make a family	Enjoy life its delicious	UPPERCASE LIVING	love makes life complete	hope anchors the soul
just roll with it	dance like no one is watching	Love is patient and kind	You dont have to brush all your teeth just the ones you want to keep	loved you yesterday love you still always have always will
our family is just one tent away from being a full blown circus	she believed she could so she did	I love you because	my greatest blessings call me mom	I love you to the moon and back

my greatest blessings call me mom	hope anchors the soul	just roll with it	Enjoy life its delicious	believe in yourself
Be your own kind of beautifUL	dinner is better when we eat together	I love you to the moon and back	together is a wonderful place to be	Happy girls are the prettiest
when life gives you waves learn to surf.	we may not have it all together but together we have it all.	UPPERCASE LIVING	Love is patient and kind	Faith makes all things possible not easy
pain is temporary pride is forever	love makes life complete	Welcome	together we make a family	doubt your doubts before you doubt your faith
I love you because	our family is just one tent away from being a full blown circus	brothers are the best of friends	You dont have to brush all your teeth just the ones you want to keep	Happiness is a choice
