Heat Stress BINGO!

thinks drinking a caffeinated beverage will help hydrate you	LOVES plain water	has felt confused while out in the heat	identified someone else as showing signs of heat stress	has refused to drink the water provided at work because it 'might be dirty'
has been trained in identifying signs of heat illness	owns a Lucha Libre mask	has skipped a break at work to try to catch up and make your goal	can speak more than one language	likes to quote Will Ferrell movies
thinks that once they start to feel thirsty THAT'S when you should drink water	farms	has had a severe headache from dehydration	has had to call 911 for someone else showing heat stress signs	knows who enforces the Heat Illness Prevention Standard
has pushed yourself to keep working on a really hot day - just to "get it done"	has trained others in identifying signs of heat stress	has felt nauseous while working outside	has seen someone faint in the heat	felt dizzy while working in the heat
knows someone who has filed a workplace safety violation complaint	has drunk a cold beer instead of cold water when you were thirsty	works outside	has felt body aches or cramps while outside on a hot day	has forgotten to wear a hat while outside on a sunny day
