There isn't time to get bored	Clothes are expensive	I travell to UK every summer	The weather was rainy	My son likes sightseeing tours
I lost my ID card	There are people from all over the world in London	People was nice and friendly	I am staying in London one week	The food isn't delicious
There are lots of things to do	We got lost in London streets	**FREE**	I bought lots of souvenirs	My daughter and son are having nice holidays
My family doesn't like London weather	There are different coffees	My husband is a London lover	I visited London Eye	My wife speaks good English
I travelled with my family	I have got a friend in London	The flight was delayed	We hired a car for the holidays	I stayed in a hotel
