We kept filling our bowls from the bottomless pot of soup.	A blanket of snow fell on the small town making it look very peaceful.	Matt makes marbles on Monday	The question the teacher asked was the easiest question in the world.	Playing chess with Evan is like trying to outsmart a computer.
Hyperbole	Use a little elbow grease	Swoosh!	Alliteration	The chalk erased the board
Tim takes time to teach	Zoom!	FREE	Bing!	Onomatopoeia
Owen was an eating machine consuming more than 3000 calories a day.	The summer sun sank below the sad horizon.	Personification	My son has a million pairs of tennis shoes in his closet.	Sam sells seashells
My shoes said hello	His head is in the clouds	The bread smelled fresh	the cow sang a song	Idiom
