

B	I	N	G	O
umm	"can anybody"	"I don't know"	(sits in back of class)	python
google	(asks if we have questions)	string	just uh	"if i did that right"
program	skype	wireshark	"kinda wierd"	and uh
but uh	server	e-mail	program	(sticks his thumb in the air)
(stands on right side of projector screen)	its uh	"random thing"	java	soooooo (a really long one)

B	I	N	G	O
"not working"	python	and uh	"kinda wierd"	but uh
string	"if i did that right"	wireshark	soooooo (a really long one)	"can anybody"
just uh	its uh	java	command line	google
(fidgets with waterbottle)	(sits in back of class)	oh well	program	sighs loudly
"random thing"	program	(asks if we have questions)	"I don't know"	e-mail

B	I	N	G	O
(asks if we have questions)	java	umm	"not working"	you uh
you know	(fidgets with waterbottle)	"if i did that right"	python	just uh
(reads directly off of his powerpoint)	"can anybody"	wireshark	google	"random thing"
e-mail	program	but uh	(sits in back of class)	"kinda wierd"
and uh	(stands on right side of projector screen)	program	string	sighs loudly
