

thinks Ulu Pono is the best outreach	brother/sister has done internship here	doesn't own a passport	knew some staff members before they arrived	heard about STN from a friend
didn't know where Hawaii was before coming here	still doesn't really know how to cook	is from the East Coast of USA	came here to escape troubles back home	speaks more than 2 languages
thought STN was right on the beach	came to STN to surf	FREE	has been on staff for more than 1 year	has cried since being here
once did service team at STN	heard about STN at a conference	is not American	has a five year plan for their life	is doing SLS
didn't know what a 'shaka' was before Hawaii	never slept in a bunkbed until Hawaii	didn't make their bed this morning	wants to live in another country one day	didn't own a bible before STN
