

B	I	N	G	O
sung in front of a crowed	Held a wild animal	fall out of bed	owned a motorbike	held a snake
bitten by an animal	stayed in your pajamas all day long	killed a spider	allergic to a flower	stayed awake for the entire night
talked on the phone for more then 2 hours	been on a jet ski	found money on the side walk	had to get stitches	ridden a horse
has ever smoked	not eaten for a whole day	fallen off a tree	held an insect in your hand	believes in vampires
played rugby	climbed a tree and couldnt get down	worn the same underwear for 2 days in a row	fainted	forgotten what you were going to say
