The mountains made the sun climb a long way to show itself	Arnold lay still as a fugitive	His head is in the clouds	Sounds sharp as knives	Onomatopoeia
Her tears fell like raindrops	The cow sang a song	Shrill	Babbling brook	Snorting noises
The coat felt soft	The sun climbed the night sky	**FREE**	Clomping	Matt makes marbles on Monday
Metaphor	The clock with its clucking pendulum	My blanket is a warm cocoon	His sister was as sweet as candy	Personification
His heart is stone	He was cozy as a teddy bear	Simile	the cow sang a song	His Laughter continued like hiccups
