The mountains made the sun climb a long way to show itself	Arnold lay still as a fugitive	His head is in the clouds	The clock with its clucking pendulum	Personification
Her tears fell like raindrops	The moon beams dance in the night	Simile	Babbling brook	Sounds sharp as knives
The cow sang a song	The sun climbed the night sky	**FREE**	Clomping	Metaphor
My blanket is a warm cocoon	The coat felt soft	Onomatopoeia	His sister was as sweet as candy	Shrill
His heart is stone	He was cozy as a teddy bear	Snorting noises	the cow sang a song	His Laughter continued like hiccups
