safety is your job	ANGER = DANGER	clean up before you slip	report all accidents	hydrate before it's too late
be alert don't get hurt	safety is always in season	lift with your legs	PUSH don't pull	report all accidents
safety first	stay focused on the job	FREE	avoid distractions at work	expect the unexpected
follow rules every time	safety always	get help with heavy loads	don't overload outlets	know the rules
close calls are wakeup calls	avoid fatigue at work	never text and drive	teamwork is safer	bend your knees to lift
