My major was International Affairs with a concentration in counterterrorism	I am allergic to certain metals and had to have someone else's wedding ring cut off my finger in the ER	I interned in a police station	I'm a Long Island native and lover of pizza & bagels & egg sandwiches	I speak three languages
I coach swimming during the school year	My favorite seafood is shrimp	I try to snowboard every weekend in the winter	I am currently running for State Committee (political position within the MA Republican Party)	My family rescues beagles and we are currently fostering three
My uncle Tom was friends with Maria in college	I became interested in EMC when I visited the Vatican because the first thing you see when you walk in is the EMC logo	I played tennis all four years in college	I recently celebrated my two year wedding anniversary	My family has a baseball signed by the 1927 Yankees including Babe Ruth
I share my name with my father and grandfather	I was born in Colorado	I played basketball in high school	I traveled to Thailand for a week with three friends	I can understand Tamil fluently but can't speak it fluently
I've never had a pet that wasn't a fish	I have a twin sister and 15 nieces and nephews	My younger brothers are identical twins	I have my Master's in Criminal Justice	I played guitar in a rock band in high school and college
