When someone helps you say "Thank you!"	Answer if someone asks you a question	Allow others to walk through a door before you	Don't call people names	Never use bad words
If you need to get somebody's attention who is talking say \"excuse me\"	Be quiet in a business	Wait patiently for your turn	Keep negative opinions to yourself	Cover your mouth when you cough
Look a person in the eye when you talk to them	Throw trash away	Manners	Be a good sport	If you use an item put it away
Don't tell secrets when others are around	Don't use electronic devices when others are around	Say \"excuse me\" if you bump into someone	Give compliments when due	Knock on closed doors
Shake hands when you meet someone	Don't talk with your mouth full	Don't say anything negative about how someone looks	If you open a door close it	Don't make a yucky face
