

knows why it is important to dress in layers	believes in a spiritual connection with animals	has cooked a meal on an open fire	has slept in a tent three or more nights in a row	has properly disposed of fish guts
has been lost in the woods	knows what LNT stands for	has seen an artifact in the outdoors and left it there	carries an extra bag when hiking to pick up trash	is concerned about bears in the woods
owns waterproof shoes or boots and rain pants	does not leave food crumbs or peelings in the woods	has littered	has peed outdoors	has taken apart someone else's rock fire ring
has picked up someone else's litter	has seen deer wild in nature	has kept quiet when near other campers	has seen a baby wild animal	has been bitten by a mosquito
has slept outdoors in at least three counties	has built a fire ring wit rocks	thinks that canoeing is traveling on a durable surface	has camped in the backcountry	has lit a camp stove
