I've never been outside of the country.	I am one of the youngest in my class.	I have more than three brothers and sisters including step siblings.	I went to a concert last year.	I love to cook.
I have a hobby that I love.	I'm an only child.	I love to work with puzzles.	I don't listen to mainstream music.	I'm allergic to an animal.
My family goes camping every year.	I don't need a lot of friends.	I know what I want to be when I finish school.	I like learning about history.	I'm a morning person.
I like peanut butter but I'm allergic to peanuts.	I play a musical instrument.	I have read a series of books.	I love to draw.	I get really angry about injustices in the world.
I won a grand final in a sport last year.	I have an animal that is only mine.	My favourite movies are science fiction.	I have an unusual skill.	I have travelled to more than five overseas countries.
