

B	I	N	G	O
would consider working an unpaid internship after graduating	accepted into their first choice school	keeps a budget	wants to attend a technical school	scored higher than 1700 on the SAT
has filed a 1040EZ	works well with others	value feedback from others	accepted to an out of state school	works part-time during the school year
would feel comfortable negotiating a higher salary	drives to school everyday	takes IB/AP classes	participates in clubs and after school activities	has a savings and banking account
plans to go to graduate school	wants to save money by attending a 2-year community college before attending a 4-year university	received a full scholarship	want to be a small business owner	watches the news/reads the newspaper
likes public speaking	knows how to fill out the FAFSA without assistance	submitted application to 5 or more colleges/universities	has a credit/debit card	would prefer to work in another state
