They wouldn't have fired a black reporter for this	Black lives matter	All lives matter	I stand behind Wendy Bell	She should sue WTAE
Not following WTAE's liberal agenda	Double standard	The truth hurts	She may actually be right	Black president's fault
She should not have apologized	She was only stating the obvious	FREE	We are a nation of sissies	Black-on-black violence
I'm watching channel 2 or 11 news from now on	I've watched WTAE news all of my life	She spoke the truth and was fired for it	No more WTAE news in this house!	She never said anything racist
I'm boycotting WTAE	I was not offended by what she said	Race card	Discrimination	Shame on you WTAE
