

FIND SOMEONE WHO

Who had won a crazy hat contest	Can burp the ABC's	Has imagined that they were the queen of the world	Talks to their pet spider	Loves wooly mammoths
Forgot to change out of their pajama pants to go out of the house	Wants to learn how to open a door	Owens a purple back scratcher	Can't say watermelon without laughing hysterically	Thinks that one day trees will take over the world
Wishes the weren't here	Dreams about big donuts	Hey I will be right there.	Is afraid of large teeth	Thinks that it is still 2016 (it is 2017)
Loves eating bees	Still loves to watch Sesame Street	Has never tasted grass	Named their tongue	Eats ants
Thinks that colonel is the Spanish word for colony	Has a passion for finding the bones of extinct donkeys	knows what escargot means	Has been lost in the mall for three hours	Has the same brand of fake eyelashes as you
