Take a shower	All patients were assholes	Eat breakfast at breakfast time	No suicides	No c-spines
Don't get shit on (literally)	Spend less than 2 hours at post	No lifting assistance	Brush your teeth	No shortness of breath calls
Sleep more than 2 hours at a time	Use the bathroom in peace	FREE	Cool trauma call	Interesting medical call
No homicides	Patient were all nice	No active codes	Eat lunch at lunch time	No dead bodies
Eat dinner at dinner time	Don't \"smell\" a patient	No out of town transfers	Your partner was nice the entire shift	Don't get someone else's bodily fluids on you
