Take a shower	All Patients were all nice & appreciative	Eat dinner at dinner time	No suicides	No c-spines
Don't get someone else's bodily fluids on you	Spend less than 2 hours at post	No lifting assistance	Cool trauma call	No shortness of breath calls
Spend 3 minutes brushing your teeth	Use the bathroom in peace	FREE	Don't \\\"smell\\\" a patient	Never bothered by partners snoring/driving
No homicides	Sleep more than 2 hours at a time	No active codes	Interesting medical call	No dead bodies
Eat lunch at lunch time	Don't get shit on (literally)	No out of town transfers	Your partner was nice the entire shift	Eat breakfast at breakfast time
