

B	I	N	G	O
I was the President of the Filipino Club in college	I am a twin	I have 3 tons of Snow coming to my house	I play soccer	I like to do yardwork
I can dance Gangnam Style	I was president of student council	I love beets	I am engaged	I was born in another country
I went to school on Lanai	I ate alligator meat	I have traveled to Europe	I have weird dreams about coworkers	I was a lifeguard in college
I hugged a monkey	I own a mini van	I have broken a bone before	I lived my entire life in Hawaii	I ballroom dance
I used to be a pole dancer	I danced ballet	My maiden name was Jackson	I graduated from Santa Clara	I have sent out Christmas Cards already
