Use wet Floor signs	Be careful in a crowded kitchen	Don't leave pot handles sticking out	Sanitise food service areas	Dry all dishes properly
Close the cupboard doors	Use a dry towel or oven mit	Label all food containers	Carry knives with the blade down by your side	Tie hair up before cooking
Wash all fruits and vegetables	Clean dishes in hot soapy water	Don't run in the kitchen	Don't store heavy objects up high	Store food covered in the fridge
Don't use electrical appliances near water	Never leave an empty pot on the heat	Don't put sharp knives in the sink	Inspect all equipment regularly	Clean up spills straight away
Store chemicals correctly	Don't catch a falling knife	Wash hands before and after handling food	Don't cross contaminate	Don't run in all food areas
