

prefers summer to winter	ask someone what they want to get most out of the winter offsite	can say the alphabet backwards	has their Master's degree	has eaten bugs
can name where Jeff attended undergraduate school	is or ever was a vegetarian	has skied/boarded at Parisher	aspires to be a vice president or COO/CEO	is in a band
speaks a second language fluently	can name Rob Katz's hometown	can wink	enjoys reading fiction	have someone describe their worst facilitation experience
has a food allergy	has skied/boarded at Wilmot	can state our current stock price (as of today)	has lived in a foreign country	can name all our resorts in order of acquisition timeline
has their Ph.D	can name where Pat Campbell started as a ski instructor	subscribes to HBR	can say "I love Park City in the snow" in a foreign language	can wiggle their ears
