

B	I	N	G	O
L4 Check if your position is less than 20 If less than 20 continue to move forward until you reach the position 20	B1 move forward by dice roll steps	B7 move forward by die roll steps and then move forward by 2 steps	C8 If your position is less than 20 move to the position that is 20 Otherwise move forward by dice roll steps	C2 If dice roll is less than 3 move backwards by 1 step Otherwise move forward by 3 steps
B4 move forward by dice roll steps and then move backwards by 1 step	L3 Check if your position is brown If it is brown continue to move backwards until your position is not brown	C5 If your space has tree or has a windmill move forward by dice roll 2 steps	B10 move backwards by 2 steps	C7 If you are at a brown space move forward by 4 steps else move backward by 1 step
L2 Check if your position is brown If it is brown continue to move backwards until your position is not brown	B11 move forward by 4 steps	FREE	C4 If your space is green move forward by twice the dice roll Otherwise move forward by 1 step	C1 If dice roll is >2 move forward by 2 steps Otherwise stay at the same position
C10 Move forward by dice roll steps If you land on a rock move forward by 1 step	C9 Move forward by dice roll steps If you land on a stream move forward by 1 step	C11 If dice roll is less than 4 move forward by dice roll steps Otherwise move forward by 4 steps	C6 If your space is brown move forward by dice roll steps Otherwise move forward by 1 step	L1 Check if your position has rest area If does not have a rest area keep moving forward until you reach the next rest area
B9 move forward by 3 steps	B8 move forward by 1 step then move forward by 2 steps	C3 If dice roll is equal to 1 move forward by 6 steps Otherwise move forward by 1 step	B2 move backwards by 1 step	B3 move forward by 2x the dice roll steps

B	I	N	G	O
C4 If your space is green move forward by twice the dice roll Otherwise move forward by 1 step	C2 If dice roll is less than 3 move backwards by 1 step Otherwise move forward by 3 steps	B11 move forward by 4 steps	L2 Check if your position is brown If it is brown continue to move backwards until your position is not brown	B2 move backwards by 1 step
C8 If your position is less than 20 move to the position that is 20 Otherwise move forward by dice roll steps	C1 If dice roll is >2 move forward by 2 steps Otherwise stay at the same position	C10 Move forward by dice roll steps If you land on a rock move forward by 1 step	L3 Check if your position is brown If it is brown continue to move backwards until your position is not brown	B10 move backwards by 2 steps
L5 Check if your position is green If green continue to move forward until your position is not green	C3 If dice roll is equal to 1 move forward by 6 steps Otherwise move forward by 1 step	FREE	B4 move forward by dice roll steps and then move backwards by 1 step	B7 move forward by die roll steps and then move forward by 2 steps
C6 If your space is brown move forward by dice roll steps Otherwise move forward by 1 step	C7 If you are at a brown space move forward by 4 steps else move backward by 1 step	C5 If your space has tree or has a windmill move forward by dice roll 2 steps	C9 Move forward by dice roll steps If you land on a stream move forward by 1 step	B3 move forward by 2x the dice roll steps
B1 move forward by dice roll steps	L4 Check if your position is less than 20 If less than 20 continue to move forward until you reach the position 20	L6 Check if your position has tree If has continue to move forward until you reach a space that does not have a tree	B6 move forward by 1 step	B8 move forward by 1 step then move forward by 2 steps

B	I	N	G	O
C4 If your space is green move forward by twice the dice roll Otherwise move forward by 1 step	B4 move forward by dice roll steps and then move backwards by 1 step	C6 If your space is brown move forward by dice roll steps Otherwise move forward by 1 step	B6 move forward by 1 step	B10 move backwards by 2 steps
B1 move forward by dice roll steps	L6 Check if your position has tree If has continue to move forward until you reach a space that does not have a tree	L5 Check if your position is green If green continue to move forward until your position is not green	B3 move forward by 2x the dice roll steps	L3 Check if your position is brown If it is brown continue to move backwards until your position is not brown
B5 move backwards 2 steps	C9 Move forward by dice roll steps If you land on a stream move forward by 1 step	FREE	C11 If dice roll is less than 4 move forward by dice roll steps Otherwise move forward by 4 steps	C7 If you are at a brown space move forward by 4 steps else move backward by 1 step
C3 If dice roll is equal to 1 move forward by 6 steps Otherwise move forward by 1 step	C10 Move forward by dice roll steps If you land on a rock move forward by 1 step	C1 If dice roll is >2 move forward by 2 steps Otherwise stay at the same position	B11 move forward by 4 steps	L1 Check if your position has rest area If does not have a rest area keep moving forward until you reach the next rest area
B2 move backwards by 1 step	L2 Check if your position is brown If it is brown continue to move backwards until your position is not brown	C2 If dice roll is less than 3 move backwards by 1 step Otherwise move forward by 3 steps	B7 move forward by die roll steps and then move forward by 2 steps	C5 If your space has tree or has a windmill move forward by dice roll 2 steps
