I work at the CTE	I bring my lunch everyday	I have an idea that I can share	I stay at my desk at lunch often	I learned something new this week
I got 10 000 steps once this week	I watched at least 5 NCAA tournament games	I requested constructive feedback	I collaborated across grounds	I shared an innovative idea
I was caught doing good recently	My resume is up to date	CTE Free Space	I cooked dinner last night	I have lived in Cville at least 10 years
I have watched the sunrise	I walked the Monticello Trail	I know everybody in this mtg	I have been to an escape room	I read an article/book this week
I have been to a winery in VA	I exercise at my desk	I sent a thank you card in the last month	My team won the Superbowl	I have a lucky piece of clothing jewelry I wear to work
